

STATE OF NEW HAMPSHIRE

**Toll Systems Manager
(Supervisor VI)
\$44,674.50 - \$60,450.00**

The New Hampshire Department of Transportation, Bureau of Turnpikes has full-time **Toll Systems Manager** position available in Hooksett.

The Toll Systems Manager supervises and manages subordinate employees in the planning and evaluation of agency goals and objectives related to toll collection on the New Hampshire Turnpike System, including all aspects of the E-ZPass electronic toll collection system, under the general guidance of the Turnpikes Administrators.

Minimum Qualifications:

Master's degree from a recognized college or university with major study in any field and six year's experience in a field or occupation related to finance or business management/administration, operations management, project management, computer systems, databases and/or toll road related systems, plus four years in a supervisory or management level position in any occupational area. If the work experience is within the program, the supervisory or management experience will count as part of the six years' total experience. Each additional year of approved work experience may be substituted for one year of required formal education at the graduate level only.

License/Certification: Valid NH Operator's License

Special Qualifications: Availability 24 hours a day.

Point of contact for this position is John Corcoran at 603-485-3806.

HOW TO APPLY: The official application for employment may be obtained from the New Hampshire Division of Personnel, 25 Capitol Street Concord, New Hampshire 03301 (603) 271-3261 or 3262 and is available on the Internet at www.nh.gov/hr.

Send completed State employment application referencing position 18369 to NH Dept. of Transportation, Bureau of Human Resources, and PO BOX 483, Concord, NH 03302-0483. Recruitment will continue until successfully filled.
